DR. BARTHOLOMEW'S

Pink Expectorant Syrup.
THE cases of Consumption are so numerous
in all the northern latitudes, that some reme-
dy as a preventive should be kept by every family
constantly on hand, to administer on the first
appearance of a dreadful disease. This Expec-
torant Syrup will in every case prevent the com-
plaint. It is quite impossible for any person ever
to have consumption who will use this remedy on
the first approach of cough and pain in the side,
and in many instances it has cured when physi-
cians had given up the cases as incurable.

Oklridge's Balm of Columbia.

THIS article was first introduced into the New
York market about 20 years since, and from
its superior virtues in re-producing a cure when it
had failed out, keeping the head free from dan-
ger, (a most laudable article on a gentleman's
collar), and giving a softness and beautiful
lustre unknown before to the hair, has induced
some persons to get up and advertise many other
articles for the same purpose, none of which stand
the test of trial, professing, as most of them do,
to be Oils of various kinds, all of which are positi-
vely injurious to the human hair. Let none be de-
ceived, no other article will make the hair grow
rapidly and of a good quality; but the Balm of
Columbia, and no article purporting to be the
Balm of Columbia is genuine without the name
Comstock & Co. on the outside wrapper. Some
have been deceived and obtained a counterfeit ar-
ticle for the true and genuine Balm of Columbia.
Remember to look for the name of Comstock &
Co. on the wrapper, before you purchase, and get
none but the genuine. Don't be deceived with
the assurance that any without the name of Com-
stock & Co. is made in the same way and is just
as good, all such pretensions are false and known
to be so by the counterfeiter.

Sold wholesale and retail, only at No. 2, Flet-
cher street, N. Y. by COMSTOCK & CO., and by
nearly every storekeeper throughout America.

E. DEAN'S celebrated Chemical

Plaster.
AN IMPORTANT DISCOVERY
FOR Rheumatism, Fevers, Whiteswells,
Inflammation in the eyes, Burns, Scalded
Throat in Scarlet Fever, Cynitis, &c.

TO THE PUBLIC.
To whom it may concern.—This may certify,
that I, EUSTACE DEAN, the proprietor of E.
Dean's Chemical Plaster, have for more than two
years been in a delicate state of health, so that I
have been unable to prepare and circulate said
plaster to that extent which the interest of the
suffering community demands; and feeling that
so valuable an article ought to be made known to
the afflicted, I have made arrangements with H.
Harris & Co., of Ashland, Ohio, to manufacture
and vend it in my name as sole successors.

This, therefore, may be relied on as the genuine
article heretofore prepared by me. As a witness
my hand.

EUSTACE DEAN.
Westfield, Chautauque Co., N. Y., Jan. 1, 1839.

The Chemical Plaster is an important remedy
to all those who are afflicted with inflammatory
complaints by its easing pain, counteracting in-
flammation, and giving speedy relief, by its ac-
tion, strengthening and sudorific properties. As a
local remedy for inflammatory rheumatism, ague
in the breast, cramp, burns, bruises, scrofula, old
sores, ulcers of almost every description, cancer
and scalded throat, arising from scarlet fever, &c.,
white swellings, chilblains, &c.—Persons
suffering from liver complaints, pulmonary dis-
ease, inflammation of the lungs, with pains in the
side and breast, pain and weakness in the back,
will find relief. In all cases it may be used with
safety.

The Plaster is now put up in boxes at 5
cents and 1 dollar each.

Made and sold, wholesale and retail, by H.
Harris & Co., Ashland, Ohio, sole prop-
rietors.—None genuine unless signed by H. Harris
on the wrapper.

TESTIMONIALS.

PERU, ILL., April 7.
Messrs. Harris & Co.—Sirs: Since I was at
your store in July last, I have used E. Dean's
Chemical Plaster, which I have received from
you at different times, and feel myself in duty
bound to you as proprietors, and to the public
generally, to recommend the same as a safe and
efficient remedy for those complaints for which it
is recommended. I have used it in several cases
of inflamed eyes, in some of which its effects as a
cure have been decided, and in no case have I
failed of giving relief where it has been applied
according to directions, and all who have used it
are perfectly satisfied with it so far as I know, I
have also applied it in some severe cases of ague
in the breast with the happiest effects.

I would also relate the case of Mr. Thomas
Logan, who has been afflicted with the rheuma-
tism in one hip for thirteen years, so that he had
been compelled to abandon labor, in a great mea-
sure. I let him have a box of the Plaster, he
applied it, and for three days found, as he sup-
posed, no benefit, but after that he perceived that
the pain was not so severe, and in less than two
weeks he could labor hard all day and rest two
from pain at night. He says he would not part
with the box he has for three hundred dollars,
providing he could not obtain another. He also
says to me, keep it on hand and recommend it
wherever you go.

I have used the Plaster in cases of pains in the
side, back, shoulders, &c., with like good effect.
Yours, &c. DANIEL KNEELAND, M.D.

MOORE, June 18, 1839
Messrs. Harris & Co.—Sirs: I have used E.
Dean's Chemical Plaster for four years past and
do cheerfully recommend it to physicians and the
public generally as an invaluable remedy in chronic
and acute rheumatism, sprains of the wrist,
ankle, shoulder, &c. In fevers, whitlow and
scrofulous swellings of all descriptions, it is gener-
ally an effectual remedy. In short, wherever
there is a pain, it is almost sure to give relief in a
few hours. I have used it in a great number of
rheumatic affections. One of my patients aged
40, full habit, had a rheumatic swelling on one
leg. He had been unable to get out of the house
for three months; his leg was swollen to an enor-
mous size, twice its usual thickness; every thing
had been done without success, until we com-
menced using Dean's Chemical Plaster. We
developed the knee and a portion of the limb in
the Plaster, and in three days the swelling entirely
disappeared. Such has been our success
with the article, and we now willingly recom-
mend it to the public for a trial.

Yours, &c. J. H. REYNOLDS, M.D.
For sale by L. P. & W. A. SANGER
& Co., Ottawa, Illinois. Also, at the principal
Druggists at Chicago and Juliet; J. H. Elmore,
Peru, and James Darley, Hennepin, Ill. All or-
ders sent to H. Harris & Co., Ashland, Ohio,
for the above medicine, will be promptly attended
to. Be particular to enquire for Dean's Chemi-
cal Plaster.

Hay's Liniment.

THE only true and genuine receipt, and so de-
clared by the oath of Mr. Solomon Hays, has
never been made known to any person or persons
except to Messrs. Comstock & Co., and they only
have the right to prepare the said genuine Liniment,
which has established a reputation for effectually
curing the Plethoric everywhere, and in all the
various stages of the complaint; also, Rheumatism,
Scurvy, Sprains, Bruises, Sores and Ulcers
of long standing. All who have ever used it are
highly pleased with its beneficial effects, and all
who are in need of cures for any of the
complaints mentioned, are respectfully requested
to ask any one who ever used it. And we refer
with confidence to all who know of the article,
and especially to Matthew J. Myers, Esq., Athens,
N. Y., and Gen. Duff Green, late of Washington
City, all of whom speak in the strongest terms
and with the fullest confidence from personal ap-
plication and knowledge of its positive and never-
failing cures.

LOOK OUT!
Some swindlers have counterfeited this article,
and put it up with various devices. Do not be
imposed upon. One thing only will protect you
—it is the name of Comstock & Co., that name
must always be on the wrapper, or you are cheated.
Do not forget it. Take this direction with
you, and test by that, or never buy, for it is im-
possible for any other to be true or genuine.

SPITTING of Blood, Hooping, Cough, and all
Pulmonary Diseases, cured by JAYNE'S EX-
PECTORANT, and Summer Complaints, Cholera
Morbus, Diarrhoea, Dysentery, and all the
various affections of the Stomach and Bowels re-
moved by his CARMINATIVE BALSAM.

Please read the following letter J.

Dear Sir:—I feel it due to you as the inventor
of the medicine and to the public, who may be
greatly benefited by it, to state a cure that was
performed in my family, by the use of your "Car-
minative Balsam."

My little son, when about two months old, was
seized with a *loose complaint*, caused, as I sup-
pose, by a change of diet. It continued for two
weeks without intermission, and notwithstanding
the remedies prescribed by a respectable physician,
we gave up the child a victim, as we supposed,
to a fatal disease, but I providentially heard of
"Jayne's Carminative," as an effectual cure for
bowel complaint, and immediately despatched a
messenger to a town seventeen miles off for a bot-
tle. By the use of this medicine, in less than
thirty six hours the disease was checked; and by
its continued use for a few days the child was
restored to perfect health. Shortly after this,
there occurred a similar case in one of the fami-
lies of my congregation; I prescribed "Jayne's
Carminative," and the result was a speedy cure.
From a knowledge of the efficacy of your medi-
cine in bowel complaints, a disease to which
children are constantly liable, I have obtained and
keep constantly in the house, a quantity of the
"Carminative."

The same child, owing to exposure, when re-
cently coming up the Ohio, was attacked by the
horrible malady, CROUP. We landed in the
night at Beaver Point, and when our fears were
alarmed, lest the horse should cough, we were
fortunate to find a bottle of which you were the
proprietor. We gave him a teaspoon full of the
"Expectorant," (a bottle of which you applied
some liniment to the throat and breast, and the
child breathed freely and slept sweetly. Owing
to these circumstances it cannot be wondered at
why I have so high an opinion of Dr. Jayne's
medicine, and why I advise every family to keep
it on hand ready for any emergency.

Respectfully yours,
ARTHUR D. BRADFORD,
Pastor of the Presbyterian Church, Darlington,
Pa.
Dr. D. JAYNE.

Lancaster, N. E., April 27th, 1839.
Dr. JAYNE.—Dear Sir:—By the blessing of God
your INDIAN EXPECTORANT has effected a
cure in me of a most distressing complaint. In
December last, I was seized with great severity
by a Paroxysm of Asthma; a disease with which
I had been afflicted for many years past. It was
attended with a hoarseness and soreness of the
lungs and throat, together with a laborious cough,
and complete prostration of strength, and when
almost worn out with suffocation, a bottle of your
Expectorant was sent to my house. At first I
thought it was nothing but quackery, but feeling
it so highly recommended by Dr. Gould, with
whom I was well acquainted, I was induced to try
it, and in a few days it completely cured me, more
than I ever had any return of the disease since.
I have now formed so high an opinion of your
medicine, that if I had but a few bottles of it, and
could obtain no more, I would not part with them
for ten dollars each.

Yours, most respectfully,
JOHN BEGER,
Pastor of the Baptist Church at Lambertville.

PHILADELPHIA, June 9th, 1838.
To my personal friends:—I would say, that I
am well acquainted with David Jayne, M. D.,
and know him to be a respectable Physician and
Druggist of this city—a gentleman in whom en-
tire confidence may be placed. I have tested in
my own case the beneficial effects of his CAR-
MINATIVE BALSAM, and have greater confi-
dence in it than all the other medicines of the kind.
His EXPECTORANT is equally celebrated and
efficacious.

IRA M. ALLEN,
Agent of the Baptist General Tract Society.
